## TO WHOM IT MAY CONCERN

This is to certify that **Mr. Mohamed Hamed Hassan Senousy** has been employed by CB&I from 28/11/2011 to 30/09/2013 in the position of **Piping Engineer**

During this period **Mr. Senousy** participated in the Engineering of a number of Projects undertaken by CB&I which involved various types of plants such as refineries, petrochemicals, gas processing, LPG & gasoil tank farms. The work involved continuous communication and coordination with CB&I offices worldwide, with which CB&I Cairo undertook a large number of projects on the basis of work share.

Throughout his employment, **Mr. Senousy** has been very professional, enthusiastic & dedicated and performed his work efficiently, with quality & in a timely manner. **Mr. Senousy** was also very pleasant with everyone he worked with.

We wish **Mr. Senousy** best of luck and success in his future.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ahmed F. Amin'.

Ahmed F. Amin  
General Manager & Director of Operations
